Hay Directory Application:
www.ag.ok.gov/mktdev/mktdev-hay.pdf

Publish Date 3/11/2014

It is very important that both buyers and sellers be very clear regarding quality, condition, weight of bales, etc. We have received a few reports of lightweight bales and quality not matching the description offered. Be sure to ask questions and have specific details regarding hay before making the trade. As always, "Buyer Beware."
